Slipping and falling down the stairs is a killer

MAN PLAYS DEAD FOR A LIVING!

He earns up to **\$1,500 A DAY!**

CLEVER Chuck Lamb just about killed himself to get his job!

The 56-year-old former computer engineer from Ohio is known professionally as the "Dead Body Guy" and hires himself out to play dead in movies and on TV at \$1,500 a day.

He's had more than two dozen gigs as a corpse on shows like The Jury and the gory flick Horrorween since launching his deadbodyguy.com

Web site in 2005.

"It all started as a joke," he says. "I had a dream that I was a dead body on Law & Order. I just thought: 'Wouldn't it be cool to be on TV?'"

He quickly admitted he didn't have any skills as an actor, but figured "you don't need any talent to play dead! I really look like a dead guy. I'm pale, I'm bald and I have bags under my eyes!"
